

November 24 - 27, 2026  
TU Wien, Vienna, Austria

## 23RD INTERNATIONAL CONFERENCE ON DIFFUSE POLLUTION AND EUTROPHICATION

© Adrian Swancar | Unsplash

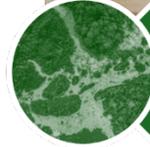

# DIPCON2026

## Main themes

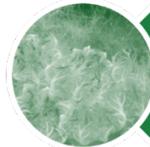

- ◆ Diffuse emissions of legacy and **emerging trace contaminants**: monitoring, modelling and management
- ◆ Diffuse emissions of **nutrients**: monitoring, modelling and management
- ◆ Diffuse contaminant emissions from **urban areas**: control and management
- ◆ **Agriculture** and water quality interactions: innovative approaches and solutions
- ◆ **Eutrophication** in freshwater and marine environments
- ◆ **Nature-based solutions** to tackle diffuse water pollution
- ◆ Tackling water quality problems at the scale of large **river basins** and impacted coastal areas
- ◆ Quality dimension in **water scarcity** assessment
- ◆ **Pollution – biodiversity – climate change** nexus: interconnections and innovative approaches

Open call for abstracts  
April 15, 2026

Deadline for abstract  
submission  
June 05, 2026

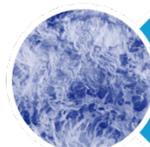

Abstract acceptance  
July 10, 2026

Deadline for early-bird  
registration  
Sep. 30, 2026

Deadline for regular  
registration  
Nov. 8, 2026

Conference  
Nov. 24 - 27, 2026
